

CMMC SYMPOSIUM

Leopoldina
Nationale Akademie
der Wissenschaften

25 Years of Progress

in Molecular Medicine: From Basic Research to Clinical Application

September 26-28, 2021 in Cologne, DE

certified with
21 CME credits

Goes
Hybrid

CMMC Symposium 2021

- » Stem Cell Biology and Regenerative Medicine
- » Molecular Oncology and Genomic Medicine
- » Precision Medicine in Cancer Treatment
- » Infectious Diseases
- » Neuroplasticity and Neurodegeneration
- » Metabolism and Aging

Ralf Bartenschlager Heidelberg, DE

Nils Brose Goettingen, DE

Anne Brunet Stanford, US

Jens C Brüning Cologne, DE

Andrew Dillin Berkeley, US

Gülsah Gabriel Hamburg, DE

Cristina García Cáceres
Neuherberg, DE

Marco Gerlinger London, GB

Nadine Gogolla Martinsried, DE

Thomas Graf Barcelona, ES

Lora Heisler Aberdeen, GB

Konrad Hochedlinger Boston, US

Franz Hofmann Munich, DE

Rudolf Jaenisch Cambridge, US

Pascal S Kaeser Boston, US

Florian Klein Cologne, DE

Peter Lichter Heidelberg, DE

Núria López-Bigas Barcelona, ES

Chris J Lord London, GB

Ari M Melnick New York, US

Luigi Naldini Milan, IT

Laura Pasqualucci New York, US

Stefan Pfister Heidelberg, DE

Silvia Portugal Berlin, DE

Rino Rappuoli Siena, IT

Dirk Schadendorf Essen, DE

Anne Schaefer New York, US

Lorenz Studer New York, US

Sarah Teichmann Hinxton, GB

Stephan Urban Heidelberg, DE

Patrik Verstreken Leuven, BE

David Vilchez Cologne, DE

Michael B Yaffe Cambridge, US

Digital CMMC Poster Session
Sept. 26, 2021 at 5:45 p.m.

Program and further information:
www.cmmc-uni-koeln.de

Organized by: Center for Molecular Medicine Cologne - University of Cologne

supported by:

CMMC CENTER FOR
MOLECULAR MEDICINE
COLOGNE
