

FedEx Express and TNT Express – Shipping Information Seminar Day

Dear research and working groups,

the University of Cologne has chosen **FedEx & TNT Express** as a partner for national and international transportation solutions including very attractive tariff rates.

We are happy to invite you to a FedEx & TNT Express information session to support you in your daily shipping activities

Why is this session interesting for you? We will show...

- Which services and especially healthcare solutions are available
- How can FedEx and TNT ease my shipment activities?
- How to ship cold chain shipping, Clinical Trials, UN3373, Dry Ice and Dangerous Goods
- Question and Answer

Location and Date of the session

Thursday, 18.06.2020 10.00 a.m. Virtual GoToMeeting

Center for Molecular Medicine Cologne (CMMC)
Robert-Koch-Str. 21
50931 Cologne

If you want to participate, please register: <https://cmmc-registration.uni-koeln.de/fedex/>
You will receive the link to the webinar and the access code by email after your registration.

Looking forward to see you
