

Invitation to reception of Labotect Labor-Technik-Göttingen GmbH

In cooperation with the Center for Molecular Medicine Cologne (CMMC), we would like to invite you to our reception in the media library of the CMMC.

On Thursday, March 12, 2020, between 11:00 a.m. and 1:00 p.m., you can enjoy some snacks while getting to know our company and products to convince yourself of their high quality and precision in the day-to-day lab work.

Labotect Labor-Technik-Göttingen GmbH – located in the centre of Germany – develops, produces and distributes a versatile range of equipment for use in life science laboratories. As a family business in 3rd generation, we represent outstanding quality and close customer contact for more than 45 years, further demonstrated by our certification as medical device manufacturer according to ISO 13485. Our goal is to meet the highest standards with innovative developments.

We are looking forward to your participation and discussions about the potential application of our products in your laboratory.

We are at your disposal for any questions you might have.

With best regards,

Labotect
Labor-Technik-Göttingen GmbH
